Violet Addams made many fans with her debut in our November '12 issue. She'll be back in the next issue, fucking a stud and, of course, doing anal.

Violet Addams' debut won her many fans

Dear *XL Girls*,

While every girl featured in the November '12 issue (SP236) was jack-stimulating as always, it was newcomer Violet Addams who stood out for me.

I loved her comments displaying her obvious great enjoyment of life–and fucking–as much as her luscious body. I mean, banging guys in places like the bathroom at a supermarket, watching roller derby, cooking pastries with alcohol added, getting wet over comic book geeks and doing other women? This girl is wild!

I've paid so much "attention" to her layout–so many times–that I had to order another copy of the issue. Please bring her back soon. I look forward to seeing more of her and getting fresh inspiration.–email from Bob, Portland Oregon

Bob wasn't the only reader who enjoyed Violet's debut. That's why we're bring her back in the next issue (on sale September 24) where she sexes it up with a stud and, as you might expect from such a horny babe–gets drilled in her butthole.

This is the kind of photo of an oiled-up Shyla Shy that C.J. says are "fuckin' insane." We have more of Shyla–pregnant and lactating–for future issues.

More preggos, please

Dear *XL Girls*,

There is something about a sexy, young, preggo model that drives me crazy, and the layout of Shyla Shy in your February issue (SP241)–especially the shots where she's all oiled up–are fuckin' insane! I'd buy a whole mag just of her! Shyla's milk-swollen breasts are awesome, her baby-belly warrants being worshipped, her pussy could well be dick heaven and the cum-fuck-me look in many of the photos is so wicked that it should be banned!

I'm asking for more preggo layouts, please. And a return of Shyla–pregnant –might put a *permanent* smile on this dude's face.–Andy, Sausalito, California

Porsche Dali got to him

Dear *XL Girls*,

I guess you could call this a confession. I'm not really the writing and confession kinda guy, but Porsche certainly deserves this.

I always enjoy the intimate and sexy interview in each issue–the girls seem to really open up when they're talking to your staff. I have to tell you that the Porsche Dali

Porsche Dali

Ed called us out on the layout of Twilight Starr in the March issue (SP244) because we didn't have a good ass shot. She'll be back soon, fucking a stud…including anal.

interview in November's issue (SP236) is the hottest one I've read, and reading it actually got me to jacking off which is a first for me. I mean, it's usually hot shots that get me going, not hot words.

Reading that the sexy, flamboyant babe's favorite way to fuck is to be bent over the side of a couch and banged from behind–and yet she is an anal virgin–had me jacking while fantasizing about doing her over the arm of my favorite sofa in my man cave. Of course, after banging her wonderful pussy and bring her to a loud, thrashing orgasm, I carefully prepped her butthole and slowly sank my dick deep into the virgin tightness. Then, after a few minutes of anal-heaven, I christened it with a big, hot load as Porsche encouraged me. I'm available any time, honey! I'll fly you in to visit me and my couch on my ranch.–email from C.J., near Amarillo, Texas

Twilight Starr is Eurasian, not Half-Asian

Dear *XL Girls*,

In the March '13 issue (SP244) you featured a cute as hell babe who goes by the name Twilight Starr. You said that she's half-Asian, but the correct term is Eurasian. My kids are Eurasian. I'm white (Caucasian) and their mom–my ex-wife–is Vietnamese. She was a war bride.

In the layout, Twilight talked about masturbating by putting toys in her ass before she'd even started screwing, and she said she gets a lot of comments from guys about her great ass. But you didn't really give us a decent photo of it! C'mon, guys; BBWs are more than just great tits. I'm sure your photographer took some great shots of her ass. I hope you bring Twilight back because I sure would like to see her ass properly.

I love the mag. My ex-wife was a skinny-as-heck little thing, but I've always had a soft spot–and a hard dick –for big ladies.–Ed., Utica, New York

Debuts in March '13 issue

Dear *XL Girls*,

How do you guys do it? You keep coming up with sexy newcomers issue after issue. The March 2013 issue (SP244) is one of the best you have published in a long time. You introduced Holly Jade, Sasha Juggs and Micky Bells, three sexy BBWs, any one of which I could fuck and fuck and fuck till my dick dropped off!

But it is Micky who really got to me. The outdoors location instead of the usual, boring sofa or bed was awesome, and seeing Micky for the first time in that tiny, red bikini instead of lingerie or regular clothing was extra hot. The look on her face in some of the photos suggests to me that she's thing, "I know

Micky Bells, who debuted in our March '13 issue, has many admirers already.

you have your dick out and you're jerking it and thinking about fucking me… and I'd really like that." Well, that's my interpretation, anyway when I'm knocking one out to her photos.

I hope to see more of Micky in future issues, including getting drilled by one of your lucky studs.–Charlie, Anaheim, California

Dear *XL Girls*,

Micky Bells in that incredible bikini was certainly a great new girl to feature on the cover of the March issue (SP244), but it's one of the other new girls, Sashaa Juggs, who *really* grabbed my attention. She is big, even by *XL Girls* standards, but what an awesome body she's got! I can imagine getting half-smothered between those awesome tits as I'm plowing her juicy pussy, or drilling her butthole as she kneels in front of me, shaking and quivering and talking dirty.

I look forward to seeing a lot more of her in the future, including taking on a stud. And if you can get an interview with her, that would be awesome, too. I predict that Sashaa Juggs will go on to become an *XL* superstar.–email from K.G., Omaha, Nebraska

Well, K.G., if you buy every issue of XL Girls, *you will be happy because you will have read the revealing interview with Sashaa in our July issue (SP250). And she'll be back again before long because this dirty girl was eager to suck-n-fuck with one of our studs, and we're certainly not going to refuse her!*

CONSIDER THIS...

15-Year study shows that wearing a bra is bad for breasts!

Researchers from the University of Besancon in France have stated that bras are a "false necessity."

For 15 years, a group of 330 women with different bust sizes had their breasts checked regularly.

French researchers have stated that females shouldn't wear bras; even a babe like Siri who measures 40-29-38.

All were told not to wear a bra for varying lengths of time, between a few months and several years. The researchers, led by Professor Jean-Denis Rouillon, a sports science expert, used slide rules and calipers to measure changes.

Professor Rouillon said that 42 percent of the women "felt discomfort" for the first three months of going braless, but then it disappeared. None were in pain, nor were they hampered in doing daily activities including sport.

"Medically, physiologically and anatomically, breasts gain absolutely no benefit from being denied gravity," Professor Rouillon said. "On the contrary, they get saggier when a bra is used continuously."

The study found that women who took off their bras for good experienced a 0.275-inch lift in their nipples each year they didn't wear one. Also, bra-less women soon developed firmer breasts that supported themselves and saw their stretch marks fade. The professor said that bras limit the growth of supporting breast tissues, leaving the breast to wither and degrade more quickly.

The professor explained: "The decision not to a wear a bra appeals to women in terms of comfort and aesthetics. Contrary to popular belief, the breasts do not fall or sag, but actually tighten and lift, and the quality of the skin improves."

Researchers find that guys who like big tits are chauvinists

A study from the University of Westminster, (England) claims that men's attitudes toward women influence their attitudes about ideal breast size. Researchers interviewed several hundred white, heterosexual men, aged between 18 and 68. Each guy was shown five 3-D models of women, each with a different breast size, and asked to record which one he found most physically attractive.

The men then completed a questionnaire which measured their level of hostility toward women, their attitudes about male-female relationships, benevolent sexism and how much they objectified women.

Medium-sized breasts were rated as "most attractive" by 32.7 percent of the men, 24.4 percent rated large, 19.1 percent rated very large, 15.5 percent rated small and 8.3 percent rated very small.

The preference for large and very large breasts was significantly correlated with overt sexism, benevolent sexism, female objectification and hostile attitudes toward women. The connection was strongest when it came to benevolent sexism. In other words, men who perceive women as meek and weak, are the most likely to prefer big boobs

Research shows that "overweight" girls like Zeta Verrone are probably fucking more than "normal weight" girls.

Data reveals that big girls are fucking more than "normal" girls

According to combined research from the School of Medicine at the University of Hawaii and Oregon State University, "overweight" women are more likely to be having sex with men than women considered to be of "normal" weight.

The study, which was published in *Obstetrics & Gynecology*, magazine, contradicts widely held stereotypes that overweight and obese women are not as sexually active as other women. If anything, the researchers concluded that the opposite seems to be true.

Using data which looked at the sexual behavior of more than 7,000 American women, the researchers found that 92 percent of overweight women reported having a history of sexual intercourse with a man, as opposed to 87 percent of women with a normal body mass index.

The analysis looked at the relationship between body mass index and sexual orientation, age of first intercourse, number of partners and frequency of intercourse.

BETI PHELLASIO

"I love to be noticed."

"I'm a total exhibitionist; have been since my tits started developing when I was about 11," said Beti. "I used my tit-appeal to get what I wanted from the boys, way before I started fooling around with them and realized that they had something that I wanted, too…dick. These days, I absolutely eat up attention. I love to show off my bod so I dress in see-through tops and leotards. But I always wear a bra: I prefer the Balcony brand. And I wear tight jeans or skirts because I know that my bum is a bloke-pleaser, too. Deciding to bare all was an easy decision."

"Take the lead in bed, but I'll beg for what I want."

"I deliberately come across as a bit naive when it comes to sex," Beti said. "But get me naked in bed and I'll surprise you. Ask me to blow you and I'll deepthroat your willy. Ask if you can cum in my mouth and I'll swallow your load. Shag me any way you want, then tell me you want doggie style. I'll be ready for you. Then I'll beg you to spank my bum, deep-drill my bumhole and jizz me up. And that will be just for starters."

“I want blokes to know that big girls have big sexual appetites.”

“Sex isn’t just about bedrooms.”

“I’ve shagged in a few different places,” confessed Beti. “A former boyfriend bonked me as I sat on his lap during a train trip going north. And I bonked another bloke on the grass in a park one afternoon with people walking their dogs nearby. I’ve not been in a threesome yet or been with another girl, but posing for the mag and doing some shagging, too, might give me the opportunity to experience those things. When I do myself with my dildo I imagine it all happening.”

MOLLY HOWARD

Busty, lusty...and always horny!

Our guys don't often drink beer at work but when they do, they drink it with lusty, busty charmers like Molly. This photo shoot was inspired by what Molly told us about a waitressing job she had. "I was a server at a place called Cody's Roadhouse and this hot guy a few years older than me asked, 'Do you take orders to-go?'" Molly told us. "I said yes and he said, 'Good, get in the truck!' I told him that I couldn't do anything till the end of my shift and he said he'd wait. Did I go with him then? What do you think?"

Molly's doing it all!

Molly made her debut–with braces–in our August '12 issue (SP232). Now she's one of *XL Girls*' hottest babes. This former cheerleader, now a cam-girl, has what it takes to go far.

She's always on the go

Molly is always busy. She's not one to lay around–unless it's in bed with a guy during a fuck session. When she's not active on her webcam, she coaches a kids' softball team, likes singing on karaoke nights in bars, watches baseball and football and likes playing miniature golf or spending time in video arcades. XL Lovin'

My First Time

Now I'm a Believer

My girlfriend dumped me after eight years. I'd pampered her and given her everything she asked for… even a boob job. She was vain, I finally realized; had to be the thinnest, had to have the most expensive everything, had to have a personal trainer and all that crap.

I was devastated until I found out no one liked her. My friends told me it was the best thing that could have happened. They had her all worked out, even if I didn't.

After being in a relationship for so long I was cautious and a bit nervous about meeting someone new. Nightclubs and bars held little appeal for me. I'd lost my confidence, so I decided to try online dating.

Some of the women I met were unbelievable. One was 40 and said she was 25, another was married with kids but never mentioned it on her profile page, one was a cleaner in a hospital and said she was a charge nurse and on and on they went. I had just about had enough and then I made contact with Tracy.

Her profile photo wasn't too clear, but she looked very attractive with nice, blonde hair, large eyes, fair skin and great cleavage. I wondered what the rest of her looked like. We began to chat online. I found her easy to talk to; she had a raw honesty. She didn't shy away from any issues I brought up. She was intelligent, forthright and had a great sense of humor.

Not wanting to come on too strong, I asked if we could chat by phone. She agreed. When I heard her voice for the first time, I trembled with desire. Her voice was light and breezy with the hint of laughter behind it. I found myself nervous, even shy, but not Tracy. She babbled along, drawing me out, finding ways to bring the conversation around, and the next thing I knew I was asking to meet her.

I wasted years dating skinny girls!

We decided on a restaurant of her choice; low key, a TGI Fridays. I was impressed. Most women would have chosen an expensive place.

I ended up running about 10 minutes late. I rushed into the restaurant and looked around. The only blonde by herself I could see was sitting near a corner window, her back to me.

I walked over towards the blonde, but surely this wasn't her. The woman was large; wearing a black dress. The bra digging into her back was visible through the sheer fabric. The woman looked my way, her blonde hair swinging across her shoulders, framing her face. Bright blue eyes stared at me, her high cheekbones accentuated as her face broke into a smile, her lips parting, showing me perfect, white teeth.

I was stunned by her beauty: she was far more attractive than her profile page.

"Josh," she said. "How lovely to finally meet you."

Her voice was silky smooth, dripping with sexual undertones. I was taken aback by the combination. She was the most stunning woman I'd ever encountered.

As Sofia's breasts grew, she grew to like them and learned how to "work" them.

"My breasts started to develop when I was 11. By Junior High, I was the bustiest girl in school and didn't have many friends," said Sofia. "Boys didn't know how to deal with me and other girls were jealous. Now, I often dress to emphasize my chest and I enjoy the attention. I know how to use them to my advantage to get special 'considerations' or open doors into places that 'normal' girls can't talk their way into."

"Bras? No problem!"

"I buy whatever bra I can find that fits me off the rack," said Sofia. "It's often the wrong size, but if I can get it to fit or achieve the look I'm after, I buy it. I have a lot of corsets custom-made by a woman in Texas. When the time is right, I dress to emphasize my chest and I enjoy the attention that I get. But, obviously, however I dress, guys can tell that I've got huge breasts and they try to check them out."

Sofia knows what she likes in bed.

"I like dirty talk and role playing that leads into oral sex, including oral anal play," Sofia said. "Then I'll enjoy fucking in any position that a guy may suggest. I like lots of kissing and nipple-play when I'm riding a guy and that's how I like to be finished off, too. But fucking doggie style always feels awesome and, in some instances, I like to have the guy on top of me so he has total control. Then there are other times when I like to be in control. I've experimented with most fetishes and pretty much enjoyed them all."

KRISSY DAWSON

They grow them big in Prague!

While many countries, notably the USA, seriously lag behind, the relatively small city of Prague, capital of the Czech Republic, continues to pump out hot and busty girls eager and willing to express their exhibitionistic personalities. Such is the case with newcomer Krissy Dawson, a green-eyed blonde who used to wrestle and now is proudly showing us her big tits and pink pussy. Our man in Prague discovered Krissy and showed her some *XL Girls.* That was all it took.

She dresses for attention, and she's got the body to get it!

When Krissy leaves the house in nice weather, she always dresses to attract attention. You name it. Tank-tops, tight T-shirts, low-cut blouses, tube dresses. She's got the curvy body to stretch them out. And attention she gets! She likes listening to music and watching movies. And she loves watching NHL hockey games on TV, or live when a team visits to play an exhibition game.

“I want men everywhere to enjoy looking at me.”

Krissy says she’s a “normal girl” when it comes to sex. She likes lots of kissing that leads to her giving a BJ (she swallows) and having her clit licked. She likes all ways of screwing, but can only cum–once but intense–when the guy’s on top. Anal action is a no no. Will she fuck for us? We’re working on it.

ANOREI COLLINS

Anorei claims an *XL Girls* record

Anorei debuted in our February 2012 issue and got herself an instant fan club as soon as the issue hit the streets. She was back in the July '13 issue (SP250) where she milked her tits, and this time she becomes the biggest-breasted babe in the history of the mag (since 1999) to fuck for our cameras. Longtime porn stud Tony provides the rock-hard horn for Anorei to enjoy as she shows how she gives a man a ride that he won't soon forget. This fuck is definitely one for the record books.

“I love working over a cock with my titties.”

Pleasuring a guy’s hard dick with her tits as well as her mouth and her pussy is very important to Anorei. “If he’s attracted to me, he’s obviously attracted to my tits,” she said. “So I make sure to let the guy tit-fuck me and if he wants to cum that way he can, as long as he promises to fuck my pussy when he’s ready for action again. I feel super-sexy when I tit-fuck.”

How Anorie likes to fuck

"Any way feels great, but I really love getting drilled from behind–doggie style or lying on our sides," Anorie said. "The dick feels bigger and it feels like it's sinking deeper into my pussy in those positions, and that leads to my strongest orgasms. If the guy has good self-control and can hold off jizzing, I can usually cum twice."

MARILYN MAYSON

She's into masturbation, big dicks and dirty talk

Interview by Maria Guerrero

Seductive and very sexy with a soft-spoken voice and a girly-sweet style that could wrap mean, old Ebenezer Scrooge around her little finger, Marilyn could charm the pants off of any of you in one Oklahoma minute. There was a dirty-girl gleam in her eyes throughout the interview, and most answers were punctuated with girly giggles.

I'm hanging out with Marilyn and today's kind of a big deal for you. Tell us why.
Well, I'm going to have sex with two guys soon, and it's my first time so I'm really excited.
First time on-camera or first time?
My very first time. It's a milestone I've been looking forward to accomplishing, so I'm really excited.
So we're talking to you with your threesome cherry still intact.
Yeah. I'll have two guys just paying attention to me, so I'm gonna let them take full advantage of me.
So you're submissive. Is that your usual thing?
Well, I'm dominant with women and totally submissive with men.
Are you still lactating or what?
Just a little bit.
So your lactation is going away. Does that mean your breasts are filled with milk, or what? Is that why they're so big right now?
Not really. Everybody asks me that, but I've had big boobs ever since they started growing. Luckily, they're still big.
Lets talk a bit about your background. Where are you from?
Oklahoma.
I think that Destiny Rose is from Oklahoma…Oklahoma city. She's a really cute redhead.
Ooh? I'll have to look her up.
In my mind, I guess I thought that you girls from Oklahoma hang out in a big boob gang, so you'd already know her.
I'm sure guys would like that.
So, what do you do for fun?
What do I do? I have a select couple of bars that I go to and I sing karaoke in them, sometimes. But really I'm a home body. I hang out with friends or just masturbate a lot. I can do that anywhere, but….
That's a great confession. You're like, "Well I hang out at home and I masturbate a lot. You know how that goes."
They're used to it. They come over and they say, "You can put your dildos away now, please."
So, are you the kinda girl who gets off with toys, or do you prefer to just double click your mouse with your fingers and that's it?
Oh, no, I love toys. If I'm so horny that I get myself off without using a toy, I must be super-horny.
Okay. So, what kind of toys are you into? Do you like tiny, little vibrators? You said dildos before. Are you into anything else like anal beads, butt plugs, that kinda thing?
I have a small anal toy…very small …that has ridges on it, kinda like anal beads. I like that a lot. I like to sit on it and then play with my big, white dildo. That's my favorite toy.
So, you have an anal toy. Are you into anal in your personal life?
I haven't done much of it, but I like it. I did anal for you guys *(SP244)*. I have a really tight bootyhole.
So you use the little toy in your bootyhole. Have you ever tried a big toy?
Sometimes. A little bit. I've never tried a penis-size toy because they're massive. The only two toys I use in my pussy are absolutely redonkulous. I need a medium-size one; between the little one I have now for my butt and the huge ones I have for my pussy. Perhaps that could stretch my bootyhole out a little bit.
You like big toys for your pussy. Is that how you get off? I mean, do you like big cocks?
Yeah, truth be told.
Well, that's being honest.
Sorry, guys!
Okay. The first time you came here, you filled out a model questionnaire which lets us get to know you some. There's some dirty stuff on yours. I read it and I thought, "This is a pretty dirty girl!"
I didn't know what that thing was going for but, well, it's all honest. I answered every question honestly.
That's cool. It says there that you like creampies.

Here is a teaser of Marilyn's first time with two guys.

That's like my favorite…like my fetish fantasy.

That's like saying you like cars, but we want to know what kinda cars you like. So what kinda creampies are you into?

Mmm…well….

You said you don't really do anal, so it's not that. So you really like vaginal creampies?

I do.

What is it about creampies that gets you off?

I don't know. It's just something about feeling the guy spurting in my pussy that feels *really* good.

Okay.

It makes me cum, too.

Harder?

Ooh yeah! They're cumming and for me it's like…wow!

Are you into taking cum anywhere else? Do you like it when guys cum on your boobs, that kinda thing?

I do. And some guys have great tasting cum and I love to swallow it.

But not all guys?

"It feels so good when a guy squirts in my pussy."

No. Unfortunately not.

Have you heard that rumor that if a guy eats a lot of pineapple it will fix the taste of his jizz?

Yeah, but, unfortunately, most guys don't like fruit.

Well, you heard it here, guys. Get your vitamin pineapple in….

So you can squirt in my mouth!

I think that goes for most chicks, right? If spunk tasted better, we'd swallow more.

Right. True story.

Okay. So back home you're actually a webcam model, right?

Yeah.

Tell me about that. Does that mean that you're an exhibitionist?

Mmm…kinda…yeah. I mean, there can be anywhere from 50 to 100 guys watching me. What I like to do is to ask them to tell me–if they don't mind–when they're cumming and where. So I have a bunch of guys telling me: "I just came on your tits." "I just came in your pussy." "I just came in your mouth." And I'm like, yeah! I kinda get off on that.

You're about to have your first boy-boy-girl. Is having multiple partners something that you're turned on by?

Definitely. If I could find that in real life, it would have happened already. But, unfortunately, most guys don't want to share a pussy like that, so…. I've definitely had fun with another girl and a guy, but this will be my first time with two dicks.

That's hot for someone who likes penetration as much as you do, even when you masturbate. This should mean a really good orgasm or two for you.

Ooh, yes, I will be orgasming! I haven't had sex in, like, two months. That's crazy, but…

How is that possible?

Oklahoma doesn't have enough penises.

We should get that put on a t-shirt for you: "Oklahoma doesn't have enough penises for me!"

I'd wear it! Everyone would be, like, "Booo!"

Well, I think *XL Girls* has enough penis for you. Moving on, how did you come to hear about us?

On cam, actually. One of the guys said I should definitely be a *SCORE* girl. I didn't know what that was, but I checked it out. Then I got a message from Elliott.

He's such a boob jedi, like always on the quest for the boob force.

It was lucky that he caught me. I had actually taken a break from the cam for a while, and he caught me just

after I came back. I was only doing it now and then, so it was lucky that he even saw me.

It was fate.

Yeah! I was being scarce. I was going back to a normal job, trying to be a normal person. Then he caught me and dragged me back into porn with you guys. I'm sure glad he did!

Okay, now were gonna talk about sex some more. On your info sheet, it says that you're into dirty talk.

I love it!

Do you like to dirty talk or do you like guys to dirty talk to you?

I like to talk dirty, but if a guy is into it, sure. It depends because they can turn it the wrong way sometimes. But I definitely like to demand what kind of sex we're going to have and the role playing were doing. So… suggestive, but submissive.

You're into role playing?

Love it!

What is your favorite role playing fantasy?

I guess anything really that involves me being super-submissive. That's

“Take me to bed and tell me what to do. I’m very submissive.”

"I have a really tight bootyhole, but now and again I will do anal. I love it when the guy cums."

kinda why I like creampies, because the guy's shooting in me and I have to take it. But I love it! It's hot! I love it when they pump in me. It's definitely one of my favorites.

It's good that you know what you like and what gets you off.

I like when they stretch my pussy, too, and talk about it and how big their dick is in my pussy. I like that a whole lot.

So you're really a submissive kinda girl. Now, soon you're gonna be tackling two cocks.

(Giggles and claps.) Yeah!

Do you have a plan of action?

I'm just gonna let them take me and do whatever they want to.

So, basically, we could file your plan of action under, "Fuck the shit out of me. The end."

Well…that…and I hope to suck a lot of dick.

Are you good at sucking dick?

Can I be honest?

Yes, please.

Um…I'm kinda the shit.

What makes you the shit?

I enjoy it. That's gotta be, hands down, the best thing about giving head…being into it. You like it and so you'll definitely do a good job.

Are you a spitter or a swallower?

Well, like I said, it really depends on the taste. And, like I said, I usually make a guy cum in my pussy, but I like taking cum on my face and on my titties, too. If there's enough cum, I'll get it everywhere.

Well, you'll probably get enough from the two guys. That's a great way to finish off the interview. Thank you, and I hope you have great orgasms with the guys. I'm sure it will be in the magazine soon.

We gave you a teaser shot. The full layout will be in the issue after next. Ed.

CHARLOTTE

Another plumper from Prague.

Charlotte is a waitress at a popular restaurant in Prague. Some regular customers who love big tits and big women were not shy about dropping hints that she should model, and not bullshit fashion modeling either. So Charlotte signed on with a talent agency who sent test shots to our photographer there…and here she is. "I was nervous, but the photographer made me feel comfortable," Charlotte said. "Then I enjoyed showing my body. Knowing that men all around the world will see me is thrilling."

"I am just an average girl."

"What you see is me," Charlotte said. "I am just an average girl. I enjoy flirting with some of the men who come into the restaurant two or three times a week. They tease and compliment me about my big breasts, but that's as far as it goes with them. I have a very quiet life. I spend time with my family. I walk my dog every day. I watch TV at night and go to bed early. I am not a party girl. When I date a man, I like to have dinner, go to the movies and perhaps take a walk afterwards. An average girl? Sorry Charlotte, we disagree.

“I’d like to have an experienced lover who could teach me new things.”

"I have no special skills when I'm having sex."

"I don't have any fetishes or kinky interests in the bedroom," said Charlotte. "I enjoy kissing, getting oral sex and being massaged. I don't mind giving blow jobs but I always spit. I will have sex in any position my lover wants, but from behind is my favorite. I only have one orgasm. I don't make much noise because I'm too embarrassed to really let myself go. But I shake and shudder for ages. My bottom is totally off limits."

"You are Josh?" she laughed.

"Damn, you're beautiful."

"Thank you." She blushed under my scrutiny.

We chatted easily as we dined and, before I knew it, we were the last customers in the place. The staff were waiting for us to finish up. I hadn't noticed how the time had flown; I'd been too fascinated by Tracy.

I offered to drive Tracy home as she'd come by cab. When we arrived at her condo complex, she invited me up for coffee. Of course I said yes, I didn't want to leave her. We sat together on the couch and drank Baileys Irish Cream with our coffee, and then I drew her towards me.

I stared into her eyes which sparkled mischievously. When I lowered my head, her lips parted. I kissed her lightly at first and then more passionately as our tongues danced. I felt myself getting a hard-on, but I didn't want to stop kissing her. I didn't want to come on too strong and have her think I only wanted her for sex.

Tracy kissed me back, her body pressing into mine. She stood up and took my hand.

"Let's go into the bedroom," she whispered and like a lamb going to slaughter I followed her.

We stood at the end of the bed. She removed my shirt and I helped her out of her dress. She was all in black–slip, bra and lace panties. She stripped me out of my trousers and boxers and, while I stood there with a hard-on, she took off the rest of her clothing and stood naked and proud before me. She was the most magnificent-looking naked woman I'd ever seen!

Tracy giggled as she lay back on her black and gray duvet cover. Her white skin shone. Her breasts jiggled as she breathed hard with passion while she lifted her arms to me. I gazed down at her: huge breasts with dark areolas flattened out against her; a roll where her waist should have been and then her belly, large and smooth, down to her mound and the cavern waiting for me between her solid thighs.

She looked so sexy lying there like that I didn't know where to start.

MARILYN WHITE

Marilyn works in an adult store.

Marilyn debuted in our May 2012 issue, but we didn't tell you too much about this sexy chubbie with the girl-next-door vibe. She's a clerk in a sex shop, selling DVDs, mags, toys, lube and other wonderful items. There's a big strip club in the back and customers are always asking her when she's going to perform on the stage. She doesn't show her stuff there, but you get to see it all here in *XL Girls.*

Marilyn's a sexy beastie!

Marilyn enjoys watching hot action at home, even though she's surrounded by sex aids at work. "I enjoy using my ribbed glass dildo and my fingers while I'm watching porn," she said. "Depending on my mood, my porn preferences range from DP to lesbian to orgies/gangbangs, big tits, big dicks and squirting. Did I tell you that I love having sex with girls just as much as I love fucking guys?"

Don’t be quiet with Marilyn.

Marilyn’s submissive with men and dominant with girls. “I don’t like it when they just lay there. That annoys me. I feel as if I am not doing something right if they’re not making noise. I like being able to wake up the neighbors. I like hearing dirty talk. I like them to get really nasty. They can call me a bitch, they can call me a whore, I actually love being called a cunt. That’s one of my favorite words next to fuck."

XL Lovin'

continued from page 70

"Come here, Josh, and kiss me," she whispered.

Tracy opened her thighs and I fell between them. Her body was so soft and her breasts squashed up against my chest. I stared down into her face and kissed her. Then I made my way down to her breasts where I kissed and suckled each nipple, drawing it into my mouth and biting on one until she screamed with pleasure.

Then I was kissing her flesh everywhere while she wiggled and squirmed beneath me, running her fingers through my hair, urging me on, whispering encouragement as she lay back and enjoyed my exploration of her body.

When I came to her mound I felt her quiver. I wiggled down and she opened her legs wider. Her scent was intoxicating and as I parted her pussy lips to lick her clit I tasted her sweet nectar. She pulled her pussy lips apart. I devoured her, my tongue licking up and down her pussy lips, in and out of her cunt and teasing her clit. I played with her pubic hair, tugging it with my fingers before attacking her clit again.

"God!" she gasped. "Oh God!"

I concentrated on her clit and began to finger-fuck her, too.

"Oh, God, yes!" she screamed as pussy juices flooded out of her. Then she came!

She jerked on the bed, wailing, moaning and screaming; totally letting herself go. She was bathed in sweat from head to toe. I pulled back and waited until her breathing returned to near normal. I'd never seen a woman climax so strongly.

"Fuck me!" Tracy gasped.

I climbed up her body and waited above her, staring at her while my knob rubbed against her pussy lips. Her hand dove down and with a quick movement my shaft was slipped into her cunt.

To say it was hot would be an understatement! And my cock was swimming amongst the juices. It was slipping in and out easily. She was so wet! She lifted her legs and put her heels against my back, drawing me in closer. I thrust slowly into Tracy's cunt and she met my every move, her arms

wrapped around me as we fucked.

After a few minutes of the best fucking I've ever experienced, I was on the verge of cumming. Tracy sensed it. With a quick movement, she flipped me over and straddled me. I can't explain how tremendous that was. She rode me, grinding her cunt against me, slipping up and down until her juices were running over my balls as her love-sweat dripped down on me. It was the most uninhibited fuck I'd ever had: what fucking should be! Then she was cumming again, just as loud and violent as before. Her cunt gripped my cock and practically milked the jizz out of me as I wailed, too, and shot spurt after spurt into her pulsing cunt.

Tracy collapsed on top of me and we lay there in silence, too spent to move, till my dick started stirring again. Tracy felt the movement.

She darted down and took my cock into her mouth. I thought I'd died and gone to heaven! She slurped and sucked, devouring me and my balls with a technique more women should learn. Soon she had it hard again. As she stared up at me, her mouth full of my cock, her eyes sparkling, I knew I'd found a woman to love and who would love me back. There were no pretenses about her, she was who she was and she was proud of it.

Tracy had no inhibitions and was happy to take on any position, so when I suggested doggie style, she spat my cock out of her mouth and positioned herself on the bed, wiggling her plump ass at me.

I knelt behind her, holding onto her massive hips. She glanced over her shoulder at me, her blonde hair plastered to her face, "Fuck me hard, baby," she gasped.

I speared my cock into her cunt riding her hard, grinding into her. Tracy loved it, pushing back against me, squealing and begging me to fuck her harder.

And then came the most wonderful question.

"Ever fucked a woman up the ass?" she asked.

I quivered with excitement. No girl I'd ever been with had wanted my knob anywhere near her ass, and here was Tracy offering herself to me on our first date.

She'd seemed like such a lady at

dinner. Wow, this was definitely what all men want: a woman who is a total slut in bed.

I couldn't speak and Tracy smiled knowingly. She wiggled her massive butt at me and urged me on. Tentatively I took my knob and smeared her juices over her puckered hole.

"Oh, yeah, baby! Give it to me! Give it to me good!" she gasped.

Fuck! I didn't want to disappoint her, so I tried to remember all I'd read about anal sex. Now that I'd wet her hole, I pulled her cheeks apart, exposing her hole. It was open just a fraction as though beckoning me in. I rubbed my knob against it, pulling her cheeks further apart.

I watched in awe as my dick began to slowly push its way in as Tracy moaned her appreciation. Then suddenly it was like her hole just sucked me in. I slipped in further and then I was in as far as I could go. I could feel my balls slapping up against her cunt and, in my mind, I imagined having two cocks, one in her ass and the other in her cunt.

I gripped her butt cheeks and began thrusting into her. Tracy squealed with pleasure, her head rising, her massive breasts jiggling violently. I could feel her slip one hand down to her soaking wet pussy to finger her clit. We fucked slowly as I enjoyed the extreme heat and tightness of Tracy's asshole. Finally, I felt my balls tighten. I tried to pull out, but Tracy held me tight, pushing back against me as I shot my load deep into her ass. That got her going again and she had yet another wild orgasm. I didn't know that a woman could cum from anal!

Finally I rolled off her and she snuggled up against me. I've never felt so fulfilled before, never so completed as though all the other times I'd fucked had just been a prelude to doing Tracy. There is nothing better than sinking my cock into a woman who will take me in her arms and envelop me with everything she's got.

I've hardly let Tracy out of my sight since and sex seems to get better and better every time we get together. I can't believe all the years I spent with skinny, flat-chested, self-conscious, silly females. My big Tracy seems to be so much more confident, the opposite of what I would have thought.–Josh, Arlington, Texas XL

ANGEL DELUCA

She's back, but....

So, you regular readers think that Angel looks kinda familiar, but.... She debuted in our August 2012 issue as a shy-looking brunette, and now she's back as a redhead with a naughty gleam in her eye, to do her first on-camera fuck. After her debut last year, we asked the studio to see if Angel would fuck a stud. It took some time, almost a year in fact, and patience, to get this show off the ground, but we're happy to say that the missile launch went off successfully and you are about to see it now.

Angel doesn't live up to her name.

Angel is a dominatrix but she's happy to occasionally play the submissive role with a guy. "If a guy is super-confident in bed and knows what he's doing and can please me, then I'll let him take the lead," she said. "But I prefer to be in control and have my lover, male or female, completely under my control. That's not just about the sex, but it sure makes my orgasms stronger."

If Angel takes a guy home

Angel is bisexual and her wife–yes, wife–is Lesbian but she's open to new experiences. Sometimes Angel brings a lucky SOB home and she just watchs Angel screwing him, and sometimes she gets fucked too. "We did have this one guy who we kept around for a while but it's normally more of a one night stand type of thing," said Angel. "We're not looking to date, we're not looking to be intimate... like that. We're just looking for fun for the night and once we've used the guy's cock it's...'be on your way." As you can see here, from the way Angel sucks and rides Tony's cock, it's obvious that she's into it.
